

END OF SUMMER
Blues Festival
BLUES | ROCK & ROLL

Dear Prospective Sponsor,

As you may know, autism in children is a prevalent disease in our community, and we are working to support funding for the St. Gerard House here in Hendersonville.

On Saturday, September 17, 2011, we will be hosting our all day concert, End of Summer Blues Festival, with food, arts and crafts, and fun for all ages! Your support in this endeavor will allow children here to get the help they need to become main stream citizens.

Please consider joining us in this worthy cause. You may be as surprised as we were of the number of families in our community that are dealing with this pervasive developmental disorder (PDD).

Thanking you in advance;

Pam Hedstrom
828-696-4884

Eric Congdon
828- 551-3860
